DENIAL of Access of June 24th Election  
Absentee Ballots and Poll Books

**DESCRIPTION OF INCIDENT**

@ approx 3:45 pm on 7/7/14 arrived at Covich County Court House. I spoke with Circuit Clerk Edna E. Stevens. I advised her I was a private individual and would like to review the Absentee Ballots of the June 24th Special Election. I was advised there was a group who was there who had just reviewed the ballots, she had just sealed the box and was not sure if she could unseal the box, there might be a possible time frame involved. She stated she had to call the Secretary of State to find out, but was tied up with the group reviewing the Poll Books and needed to be there to redact the DOB. She stated I could leave a Public Information Request of Need Material and she

**REMEDY OR ACTION TAKEN**

would call me tomorrow or I could call her. Edna also quoted statute 23-15-911 and stated she needed to contact the Secretary of State to verify if we could review the absentee ballots & poll books.

## TYPE OF INCIDENT

Request for Voter Data to review election materials  
(Absentee ballots, fill ballots) from primary & runoff

## DESCRIPTION OF INCIDENT

Spoke to woman at county clerk's office. She said Robert Cochran, County Clerk, was out all week for statewide training meeting. Cochran is person who can make final decisions. We can request data when Cochran returns. Request must be made in writing. Data can be put on 2 CDs, due to size. Must pay for county employee time to redact. For hard copy, cost is \$1 per page. There would be approximately 700 pages. She called in people from McDonald and Cochran campaigns who were reviewing documents. Cochran's rep asked who we were and where we were from. He accused us of being w/ McDonald campaign. All said we could not review docs because we did not have "credentials." They said he could have "looked at documents before the records were 'locked'." I asked if certification triggered lock, but did not get a clear answer. County Commissioners and candidates were reviewing documents last week and this week. We are "looked out" now. Since it would be easier to get from SEC.

## DESCRIPTION OF INCIDENT

Clerk Kathy Henderson called me this morning at approximately 9:43 a.m. to say we could come in to the office today and view the poll book but could not view the Absentee Ballot Applications, Absentee Ballot Request Forms or the Absentee Ballot Envelopes. She asked where we were going next - I ~~said~~ said I wasn't sure yet. She said Election Commissioners were there today & would wait for us if we would come today to view poll books. I told her I couldn't tell her that. She said she would be there tomorrow also.

## REMEDY OR ACTION TAKEN

Electronic reports request was granted & we could pick up the data when we came back ~~with~~ to view poll books. The fee would be \$100 & did we want it - I said yes we wanted it & would put the \$100 to her - I was not sure if we would be looking at poll books or we believe we are authorized to review all the docs we requested - She said AG gave us his opinion & she

agreed to let us do that - I told her I would let her know about coming back.

July 7, 2014

Pg. 1

We requested to inspect the original abstract ballot applications, Abstract Ballot Request Forms, Abstract Ballot Envelopes and Ball Box for the June 24, 2014 Runoff.

Mrs. Kathy Henderson requested we write down exactly what we wanted. ~~She told us~~ I did & she indicated she would have to make a call. We check our right to access.

I mentioned our authority was under NARA & gave her Atty. Hogue's Memo dated Jul, 6, 2014. As we were waiting for her to make the call, at approx 11:35 a.m. a Jordan Russell, came in & said he was from the Czechian Campaign. She took him outside where officer in the hall & spoke to him out of our presence. He mentioned he wanted access to the room.

At noon, Mrs. Henderson called us up to the Auditor to give us an update. She had spoken to the Attorney General's office & had given him the memo from Atty Hogue mentioned above. Her AG's opinion was that we did not have a right to inspect the Ballot Box documents we requested that only a candidate or a candidate's rep. can inspect these documents. When asked if the

Had called Anthony Yu Ni, again, she said he  
she would call him back & let us know.

We left for a break at noon & returned approx. 1pm.  
Mrs. Nordson said she had some answers for you  
that you're not going to like it. She AG's citation  
for its opinion is Miss. Code 2315-9110 &  
requested of the clerk to the Attorney General a  
concrete case. She said it spoke to (Phil Carter)  
an Attorney in the Attorney General's office.

Again reiterated NIRA did authorize  
"public inspection" & we were citizens requesting  
to look at those documents. I showed her  
in City Nogus memo of July 6, 2014 ~~that~~ the  
relevant language "all records concerning the  
implementation of programs and activities conducted

She understood but said Attorney said no.  
This was different.

I informed her we needed to make a call  
& would return -

Refusal of Request to Inspect Poll Book and Access  
To Electronic Voting Records

page 1 of 2  
Sweeney

Attachment: Description of Incident

11am Upon meeting the Circuit Clerk Kathy Henderson, Susan Morse and I requested electronic copies of the list of Republican voters who voted in person and via absentee ballot and the same lists for Democratic voters for both the June 3, 2014 primary and June 24, 2014 run-off elections. I inserted that we were requesting these in Excel or other non-pdf format and that we would like it emailed. Ms Henderson asked us to write down everything we were requesting and Susan wrote out the request, also including a request to view the Absentee Ballot Applications, the Absentee Ballot Request Forms, the Absentee Ballot Envelopes and the Poll Book for June 24, 2014.

Ms Henderson said she had to call and check on our rights to access. Susan gave her the memo from Atty Hogue dated July 6, 2014, which Ms Henderson made a copy of.

Noon Ms. Henderson called us back to the desk for an 'update', and said she had talked to the AG office about our attorney letter.

page 2 of 2  
JwensenDescription of Incident, (cont)

In reference to the Poll Books, Ms. Henderson said that they could be inspected since they are public records but they were 'tied up' with the candidate reps. She added that the AG wants to give us redacted Poll Books.

I said that the NVRA allows access to dates of birth and also that we did not want to pay for redaction.

12:15 pm We agreed to take a break while Ms. Henderson recontacted the AG.

1 pm We returned to the Clerk's office and, in reference to the Poll Books, Ms. Henderson said that we could come back after the candidate reps are done with them but the AG still requires them to be redacted. She asked that we hand write a Public Records Request (since she has no forms) to request both the Poll Books and electronic copies of voting records. Ms. Henderson stated that the electronic records may take a couple days because her data person is out. She was also unsure if we would be given access to the electronic records.

1:10 pm Susan told Ms. Henderson that we need to call our attorney and will come back.
